

Press release

Mariella Ahrens is enjoying her vacation on AIDAdiva

On January 31, 2014, actress Mariella Ahrens checked in on board AIDAdiva. On her well-deserved vacation, the cruise took her to the Persian Gulf with United Arab Emirates, Oman, and Bahrain.

Known from diverse popular German TV- and film productions, the actress spent time with her children and took a break from her strenuous job. In addition to enjoying fitness, the board program, and shore excursions, she spontaneously took time to give young guests on AIDAdiva tips for future acting careers. In the well-attended Theatrium, the 44-year-old passionately demonstrated her dedication to young actors: She exchanged tips and experience, and motivated others to follow their dreams and goals. After all, talent, passion and dedication are what make a successful acting career.
