

## Press Release

### **Easter at Sea**

#### **More AIDA cruise time with fewer vacation days**

Planning an Easter cruise right means getting a lot more AIDA vacation for fewer vacation days. As an example, just four vacation days are necessary to spend seven days soaking up the sun in the Canary Islands aboard AIDAblu.

A one-week cruise using just four vacation days aboard AIDAdiva in the eastern Mediterranean or aboard AIDamar in the western Mediterranean is also a possibility.

Or go on a quick getaway over Easter using just one vacation day. AIDAvita will depart from Majorca on Good Friday for a short four-day cruise to Cannes, Barcelona, and back.

This year nine holidays will fall on a Monday or Friday - ideal for a vacation on board the AIDA fleet. For more information and to make a booking, visit a travel agency, go online at [www.aida.de](http://www.aida.de), or call the AIDA Customer Center at +49 (0) 381/202 707 22.
