If you would like to send your luggage to Bremerhaven, Hamburg, Kiel, Warnemünde, Mallorca, Gran Canaria or Dubai, you can book this service directly with our service partner. You can find more detailed information on myAIDA.

### Check-in

Depending on local conditions and subject to official approvals, the AIDA Crew will welcome you upon arrival at your destination. You can find details and times in your travel documents and on myAIDA. For a quick check-in, your ship manifest must be completely filled out.

### Check-out

The official end of the trip is on the departure day at 11:00. You must leave your cabin by 09:00. Depending on local conditions and subject to official approvals, our package guests can enjoy the amenities on board until their transfer on the day of departure. For guests who have planned their own arrival and departure, we are happy to check on board whether a longer stay on the day of departure is possible for an additional fee. Depending on availability, you can also book a day cabin before the trip on myAIDA or during the trip at reception.
